2025-26

Subject Intent

For every child to acquire the necessary knowledge, skills and understanding to be life-long learners and linguists while ensuring that every child is comfortable communicating their thoughts and ideas effectively in all settings and situations. At Greswold, we will install a love for reading by offering a broad range of quality literature to evoke creativity whilst fostering imagination, curiosity and independence. Children will draw on their love of reading and their knowledge of different texts to aid them with producing a grammatically accurate written text, fit for audience and purpose.

Phonics

A key focus of our teaching is the development of phonic skills. Our scheme for teaching phonics is Supersonic Phonic Friends which has been verified by the DfE. We use a wide range of engaging, active teaching methods and resources to deliver our lessons including games, videos, and interactive whiteboard activities. We provide daily phonics sessions and implement effective interventions throughout the school day. We make full use of our expert teachers and teaching assistants to keep group sizes small. This allows for focused teaching which enables the most effective learning. At the end of the Summer term all pupils in Year 1 will be assessed using a national phonic screening assessment to ascertain whether they have met the expected standard in reading or not. Any children who do not meet the expected level at the end of Year 1 will be re-assessed at the end of Year 2. Children need to be able to read both real and non-real (pseudo) words in this assessment task.

English in the Early Years

In Nursery, we focus primarily on building a strong foundation in Speaking and Listening. The children take part in a range of activities (circle time, Jigsaw, story time, Nursery Bear sharing) which aid them in becoming confident and effective communicators. Alongside this, we explore a variety of texts with the children to develop their understanding of the purpose of print, the structure of stories, the meaning of character and setting and the importance of rhythm and rhyme within spoken and written language. Nursery rhymes and traditional tales feature a great deal; these are later joined by a range of stories that the children choose themselves, developing Greswold's value of curiosity.

In Reception the children learn in a print rich environment. They develop their gross and fine motor skills through fun activities such as 'dough disco' and 'squiggle while you wiggle'. Pupils have daily phonics lessons and are encouraged to use their phonic knowledge to write words in ways which match their spoken sounds. They have continuous access to mark making materials and follow their interests and with support, write simple sentences that can be read by themselves and others. Story telling is a daily event and children often act out stories they have heard within the environment.

Phonics Vocabulary

Word	Definition
<i>Phoneme</i>	Phonemes are the smallest unit of speech-sounds which make up a word. There are around 44 phonemes in the English language.
<i>Grapheme</i>	Graphemes are the written representation of sounds. A grapheme may be one letter (f), two letters (ir), three letters (igh) or four letters in length (ough).
<i>Grapheme-phoneme correspondences (GPCs)</i>	Knowing your GPCs means being able to hear a phoneme and knowing what grapheme to use to represent it. This is helpful for spelling. It also means seeing a grapheme and knowing the phoneme that relates to it, which is important for reading.
<i>Segmenting</i>	Segmenting involves breaking up a word that you hear into its sounds. For example, the word jam is segmented into the sounds j-a-m .
<i>Blending</i>	Blending involves merging the sounds in a word together in order to pronounce it. This is important for reading. For example, j-a-m blended together reads the word jam .
<i>Vowel</i>	The letters a , e , i , o and u .
<i>Consonant</i>	The letters of the alphabet (apart from the vowels a , e , i , o and u).
<i>Adjacent consonants</i>	Two or three consonants next to each other that represent different sounds. For example, bl in black . Notice here that bl makes the two different sounds b and l , whereas ck makes the single sound ck .
<i>Digraph</i>	A grapheme made up of two letters that makes one sound (sh in shop).
<i>Consonant digraph</i>	A digraph that is made up of two consonants (sh in shop).
<i>Trigraph</i>	A grapheme made up of three letters that makes one sound (igh in high).
<i>Split digraph</i>	A digraph that is split between a consonant (a-e in make). A split digraph usually changes the sound of the first vowel. For example, compare the pronunciation between man and made .
<i>CVC words</i>	A consonant-vowel-consonant word, such as cat , pin or top .
<i>CCVC words</i>	Consonant-consonant-vowel-consonant words such as clap and from .

<i>CVCC words</i>	Consonant-vowel-consonant-consonant words such as mask and belt .
<i>Tricky words</i>	Words that are commonly used in English, but they have spelling patterns which make them difficult to read and write using introductory phonic knowledge. For example, said , of and was .
Common Exception Word	Common exception words are a group of words that are commonly used in text and spoken language but cannot be decoded using normal phonic rules.

Subject Outcomes & Progression – Reading

	Word Reading	Comprehension			
	Decoding	Range and Familiarity of Texts	Understanding and Discussion	Inference and Prediction	Authorial Intent
Nursery	Three and Four Year olds Literacy - Develop their phonological awareness, so that they can: - spot and suggest rhymes - count or clap syllables in a word - recognise words with the same initial sound, such as money and mother	Three and Four Year olds Literacy - Understand the five key concepts about print: - print has meaning - print can have different purposes - we read English text from left to right and from top to bottom - the names of the different parts of a books - page sequencing	Three and Four Year olds Literacy - Engage in extended conversations about stories, learning new vocabulary. Communication and Language - Enjoy listening to longer stories and can remember much of what happens.		
Reception	- Read individual letters by saying the sounds for them. - Blend sounds into words, so that they can read short words made up of known letter-sound correspondences. - Read some letter groups that each represent one sound and say sounds for them. - Read a few common exception words matched to the schools phonic programme. - Read simple phrases and sentences made up of words with known letter-sound correspondences and, where necessary, a few exception words.	Literacy - Re-read these books to build up their confidence in word reading, their fluency and their understanding and enjoyment. Communication and Language - Engage in story times. - Engage in non-fiction books. - Listen to and talk about selected non-fiction to develop a deep familiarity with new knowledge and vocabulary.	Communication and Language - Listen to and talk about stories to build familiarity and understanding. - Retell the story, once they have developed a deep familiarity with the text, some as exact repetition and some in their own words.		
	Early Learning Goals				
	- Say a sound for each letter in the alphabet and at least 10 digraphs. - Read words consistent with their phonic knowledge by soundblending. - Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.		- Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary. - Anticipate (where appropriate) key events in stories. - Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role play.

Teacher Assessment Framework (TAF)

- All children from years 2 to 6 will have a child-friendly version of the TAF visible and accessible to them in the front of their yellow writing book.
- Teachers will mark written work regularly against the TAF to monitor progress and gaps in learning. This information will be used to inform meaningful interventions. This marking will usually take place bi-weekly, to ensure children have enough exposure and opportunity to complete assessed writing.
- Children will be encouraged to use the TAF to identify their own targets for each piece of writing.
- Electronic TAFs will be updated by teachers half-termly to show progress throughout the academic year and identify further interventions.
