

INTERNATIONAL PROJECT

Kisoro (Uganda)

Children's Medical Centre

Having raised money ourselves, and with a District Grant, this has enabled the Centre to renew the Babies Cots with Stainless Steel and Plastic Cots, to help prevent infection, thus saving lives.

*At present polystyrene crates
and furniture drawers.*

What is Rotary?

Rotary is a Worldwide organisation of men and women united in an opportunity for Service and to help where a need arises.

Sharing minor human values and high ethical standards in and respect for every vocation to serve society. Rotary Membership exceeds 1.2 million, belonging to 30,000 clubs in virtually every country in the world.

Solihull Rotary is entering it's 76th year as a local club. We organise fundraising and social activities throughout the year, where all members have the opportunity to volunteer and get involved, encouraging new skills and experiences to young and old alike.
