Our School Improvement for pupils

We will help you to become more independent throughout the school day so you can remember more and get yourself 'unstuck'.

From Nursery to Year 6, we will make sure our lessons are the best they can be and we want everyone to be at Greswold to build belonging.

We will spark your curiosity by giving you exciting chances to read, talk, move, and explore and see yourself as a confident learner.

2025-2026
