Learning in Year 5

There is lots of learning to look forward to in Year 5.

You might look forward to learning about the Vikings, Anglo Saxons and the Victorians in History. We will also be exploring the Mayans and their home of Mexico in our first topic of the year. We will be covering space, the development and life cycles of plants and animals in Science, as well as perspective drawing and Mayan masks in Art! In English, we'll be reading lots of interesting books and we'll be very excited to read your diary entries, stories and leaflets. We are going to learn lots in Maths and will cover fractions, decimals and percentages and will be applying these to solve real life problems! There are plenty of other exciting things we will do so we can't wait to get started in September!
