

In September I will be moving from Chaffinches class to Sycamores class. I will be in Year 5. My class are all staying together, so I will know everyone in my class!

I have two new teachers this year

A message from Mrs Howell

Hello, I am Mrs Howell. I am really looking forward to teaching you next year. I have been a Year 5 teacher for a few years, so know all about what we do. We have lots of fun in Year 5 but give you lots of challenges too! Have a fantastic summer.

A message from Mrs Reilly

Hello soon to be Sycamores! I am really looking forward to teaching you for 2 days a week next year. You may recognise me from teaching in Otters when you were in Rabbits but I am excited to be back in Year 5 after a few years lower down the school because I know how exciting the topics we cover are. I hope you have a wonderful, relaxing summer and I'll see you in September!

These people will also be helping us

My new classroom is upstairs

My classroom is opposite the Elms classroom with a small corridor in between.

These are the lockers

This is where the toilets are

In September you will be getting a locker to put your things inside.

Learning in Year 5

There is lots of learning to look forward to in Year 5.

You might look forward to learning about the Vikings, Anglo Saxons and the Victorians in History. We will also be exploring the Mayans and their home of Mexico in our first topic of the year. We will be covering space, the development and life cycles of plants and animals in Science, as well as perspective drawing and Mayan masks in Art! In English, we'll be reading lots of interesting books and we'll be very excited to read your diary entries, stories and leaflets. We are going to learn lots in Maths and will cover fractions, decimals and percentages and will be applying these to solve real life problems! There are plenty of other exciting things we will do so we can't wait to get started in September!
