

## My teacher is called Mrs Brooks

### A message from Mrs Brooks

Hello Willows,

I am excited to be joining Greswold in September and working with you.

I like spending time with my friends and family and enjoy travelling.

I'm sure we will have a really hard-working year together but also have lots of fun!

See you in September,

Mrs Brooks

## These people will also be helping us

Mr Jones

Mrs Rochelle-Smith

Miss Ma

Miss Mobley

## My new classroom is downstairs

We have a door in our classroom which we will use to go out on to the playground and from where we will go home.

*These are the cloakrooms*

*This is where the toilets are*

In September you will be getting a new locker to put your things inside. They will be outside our classroom but will be for all of Year 6. Toilets will be downstairs near to the current Cedars class and near to the door which leads out on to the playground.

## Learning in Year 6

There is lots of learning to look forward to in Year 6.

You might look forward to learning about WW1 and WW2, finding out how and why the wars started, investigating what life was like in Britain at the time and examining the effects of evacuation. In Art, we begin by looking at self-portraits, moving on to graphic design where you will be able to design your own logo! For the budding scientists, we spend some time investigating inheritance and evolution and we have a fascinating unit on the heart and lungs.

### What will be different about being in Year 6?

In Year 6, you are the oldest children in the school so we expect you to act as role models.

- As the oldest children in the school, younger children will be looking up to you so you need to show them how we can sensibly move around school.
- You know our values inside out; we expect these to radiate from you!
- You will need to demonstrate leadership skills and teamwork in all that you do.

## Things my new teacher needs to know about me

(You might want to write, draw or stick photographs here to tell your new teacher about your family, what you like, things you like to do, who your friends are, things you are good at, things you find difficult or things you are worried about. This will help your teacher know the best way to help you! You can add extra pages if you want to)
